

BLESSED BE YOUR NAME

BENDITO SEA EL NOMBRE DE DIOS

Blessed be your name
In the land that is plentiful
Where your streams of abundance flow
Blessed be your name

Blessed be your name
When I'm found in the desert place
Though I walk through the wilderness
Blessed be your name

Every blessing you pour out
I'll turn back to praise
When the darkness closes in, Lord,
Still I will say

Blessed be the name of the Lord
Blessed be your name
Blessed be the name of the Lord
Blessed be your glorious name

Blessed be your name
When the sun's shining down on me
When the world's all as it should be
Blessed be your name

Blessed be your name
On the road marked with suffering
Though there's pain in the offering
Blessed be your name

Every blessing you pour out
I'll turn back to praise
When the darkness closes in, Lord,
Still I will say

// Blessed be the name of the Lord
Blessed be your name
Blessed be the name of the Lord
Blessed be your glorious name //

// You give and take away
You give and take away
My heart will choose to say,
Lord blessed be your name //

/// Blessed be the name of the Lord
Blessed be your name
Blessed be the name of the Lord
Blessed be your glorious name ///

SI TUVIERAS FE
If You Would Have Faith

// Si tuvieras fe como un grano de mostaza
eso lo dice el Señor //
// Tú le dirías a esa montaña
muévete, muévete //

/// Y esa montaña se moverá,
se moverá, se moverá ///

// Si tuvieras fe como un grano de mostaza
eso lo dice el Señor //
// Tú le dirías a esa montaña
muévete, muévete //

/// Y esa montaña se moverá,
se moverá, se moverá ///

Que se mueva la montaña
se está moviendo
que se mueva la montaña
¡Ay! se mueve
que se mueva la montaña
se está moviendo
que se mueva la montaña

Te Busqué
I Searched for You

Te busqué, te busqué
por todas partes
nadie me dio, nadie me dio
este grande amor.

Te encontré, te encontré
me conquistaste
quiero vivir, quiero vivir
sólo para Ti.

Voy a alabar, voy a exaltar
pues tu gozo me das
voy a decir y gritar
que Tú eres real

// Te amo y te exalto
ahora me alegro por estar contigo
Te amo, te adoro
nunca me cansaré de darte gracias //
(Repetir todo)

//God says if you could have faith like a mustard
seed//
//You could tell that mountain
to move, move//

/// And that mountain will move, will move, will
move ///

//God says if you could have faith like a mustard
seed//
//You could tell that mountain...
to move, move//

/// And that mountain will move, will move, will
move ///

// I searched for you //
Everywhere
//No one gave me//
This great love

// I found you//
you won me over
//I want to live//
only for you

I will worship, I will exalt
because you give me your joy
I am going to declare and shout
that you are real

I love you, I exalt you
now I am happy to be with you
I love you, I adore you
I will never tire of giving you thanks
(repeat)

TÚ ME ENSEÑAS

You teach me

Cada vez que pienso
que el mundo está al revés
voy a Ti y veo
que todo va muy bien
Cada vez que siento
morir y tal vez
me doy cuenta que contigo puedo vivir

Y es que en verdad
Tú me enseñas
a saber vivir
de manera plena
Todo mi dolor
está en el fondo
de un vacío que no tiene final

Pienso que no hay nada
mejor que Tú
con tu sonrisa veo la luz
Emocionado estoy de tenerte en mi corazón
y de mi vida, Tú eres la razón

Es que en verdad
Tú me enseñas
a saber vivir
de manera plena
Todo mi dolor
está en el fondo
de un vacío que no tiene final

Quiero gritar
Quiero gritar
Que Tú eres real

Es que en verdad
Tú me enseñas
a saber vivir
de manera plena
Todo mi dolor
está en el fondo
de un vacío que no tiene final

No tiene final
No tiene final
No tiene final
No tiene final
No tiene final

Every time I think
That the world is backwards
I go to You and I see
That it will be okay
Every time I feel like dying
I realize that with you
I can live

Because it's true
You teach me
To know how to live
completely
All my pain
Is at the end
Of a bottomless pit

I believe there is nothing
Better than You
With Your smile, I see the light
I'm excited to have you in my heart
And in my life, You are my reason

Because it's true
You teach me
To know how to live
completely
All my pain
Is at the end
Of a bottomless pit

I want to shout
I want to shout
That You are real

Because it's true
You teach me
To know how to live
completely
All my pain
Is at the end
Of a bottomless pit

Of a bottomless pit
Of a bottomless pit
Of a bottomless pit
Of a bottomless pit
Of a bottomless pit

A HOPE

I look into their eyes
There's a loneliness inside
that they can't hide
As I breathe the air around me
And I feel the weight
surround me
Will they survive?

Everyday's a fight to find a way to live
Let's unite our hearts together
With just a little bit of effort
We can help to ease their pain

Let's come together and
lend them a hand
Their waiting for Jesus
will you take a stand?
Their hearts are so burdened
their hopes almost gone
We've got the answer
They've been waiting too long

Christ is our example
Reaching out to those abandoned
and in solitude
He showed us how to love them
To comfort and surround them
How about you?
There is a greater force
That's bonding us today
God is calling you to trust Him
Let's walk along beside them
We can follow in His way

Let's come together and
lend them a hand
Their waiting for Jesus
will you take a stand?
Their hearts are so burdened
their hopes almost gone
We've got the answer
They've been waiting too long

They've been waiting too
Long...
They've been waiting
Too long

**You are All-Powerful

como Tú

(Repetir todo)

//// Tu amor

**I Surrender All
Yo me rindo a Él**

All to Jesus

Worship You

You are All-powerful
You are great and Majestic

Like You

(again)

//// Your love
Your faithfulness
They are great
They are great
Lord ////

Todo a Cristo
Yo me rindo
con el fin de serle fiel
Para siempre
quiero amarle
y entregarle
todo a Él

Yo me rindo a Él
Yo me rindo a Él
Todo a Cristo
Yo le entrego
quiero serle fiel

Rey de Majestad
King of Majesty

Sabes que te amo
sabes que yo quiero conocerte más
mucho más que antes
Tus palabras son reales y no las invento
vivo para Ti yo me dedico Ti...

Rey de majestad
tengo un deseo
estar contigo mi Señor
estar contigo mi Señor

// Cristo eres el Salvador de mi ser
y por siempre y siempre
daré alabanzas a Ti //

You know that I love you
You know that I want to know you so much more
More than I have before
These words are from my heart,
These words are not made up
I will live for you. I am devoted to you...

King of Majesty
I have one desire
// Just to be with you my Lord //

// Jesus you're the Saviour of my soul
And forever and ever
I'll give my praises to You //

No te engañes
Do not be Fooled

Si caminando estás
y te dejas arrastrar
por palabras que
otros pueden expresar

Mira muy bien tus pies
hacia dónde es que van
pues es en lo que hacés
lo que frutos te dará

Siempre hay más allá
de lo que crees real

No te engañes
con dinero o sin dinero
tu valor no cambiará

No te engañes
hay cosas en el mundo
que no se pueden comprar

No te engañes
el valor de la persona
sólo está en el interior

No te engañes
Si das de tu mano
Se te llena el corazón

If you are walking
And you let yourself
get down by words
others may say

Look at your feet
Where are they headed?
Because it's in what you do
That will bear fruit

There is always something more
Than what you believe is real

Don't be fooled
With money or without money
Your value does not change

Do not be fooled
There are things in this world
That cannot be bought

Do not be fooled
The value of a person
Is on the inside

Do not be fooled
If you lend a hand
It will fill your heart

Muchos te dirán
no dejes el tiempo pasar
la vida acabará
y hay que disfrutar

La vida es para hoy
no hay que desperdiciar
Busca tu bienestar
que importa los demás

Siempre hay más allá
de lo que crees real

Repetir 2 veces CORO

Many will tell you
not to waste time
Your life will be over
And you need to have fun

Life is for living now
Don't let it go to waste
Look out for number one
Who cares about the rest?

There is always something more
Than what you believe is real
